

## List of Contractors

**Ritter GIS** – Geographic Information System Mapping Technology

**Wade Trim** – Civil Engineering, planning, surveying, landscape architecture and environmental science services.

**CIB Planning** – Planning Consultant firm that specializes in site redevelopment and project implementation to find creative solutions to challenging development issues and sees them through to implementation; recognizing that projects are not truly completed until construction is finished.

**OHM Advisors** – Architecture, engineering, planning, urban design and landscape architecture, surveying, and construction engineering services.

**Smith JJR Group** – Planning Consultant firm that specializes in professional services, technical staff and support personnel for services related to planning, zoning, landscape architecture and urban design.

**MKSK** – is a collective of landscape architects, urban designers, and planners.

**Anixter** - is a leading global distributor of Network & Security Solutions, Electrical & Electronic Solutions and Utility Power Solutions. We help build, connect, protect and power valuable assets and critical infrastructures. From enterprise networks to industrial MRO supply to video surveillance applications to electric power distribution, we offer full-line solutions, and intelligence, that create reliable, resilient systems that sustain businesses and communities. Through our unmatched global distribution network along with our supply chain and technical expertise, we help lower the cost, risk and complexity of our customers' supply chains.

**Giarmarco, Mullins & Horton, P.C.**- GMH is one of Michigan's largest law firms with more than 60 attorneys specializing in 36 different practice areas for more than 40 years.

**Crexi**- Commercial Real Estate Exchange, Inc. (Crexi) is revolutionizing the way commercial real estate professionals transact by accelerating deal velocity and democratizing access to both properties and industry data. Crexi embarked on a journey to transform the CRE industry: to create a single-source hub for stakeholders to market, analyze, and trade commercial property.
